

The Laniado Haggadah

An inspiring testimony to faith, courage and the affirmation of life

This Pesach enhance your Seder with the newly published Laniado Haggadah, which includes:

- Insights into the hagaddah by the Sanz-Klausenberger Rebbe. Rabbi Halberstam zt'l
- An account of how the Rebbe celebrated Pesach during the Holocaust
- Personal reflections and testimonies from Laniado's ER staff following the Seder bombing at Netanya's Park Hotel in 2002
- Illustrations by terminally ill children and child victims of terror at Laniado Hospital

The colourful text is laid out on 110 pages with full English translation, in a hardback cover.

The hagaddah will be produced and printed in Israel and sold in the UK for £25 per copy.

Options are available to personalise the hagaddah with your company or organisation's name and logo.

All profits from this publication go directly towards purchasing life-saving equipment at the new Paediatric Emergency Centre of Laniado Hospital in Netanya.

Laniado Hospital was founded through the drive and vision of Rabbi Y.Y. Halberstam zt'l. Rabbi Halberstam lost his entire family in the Holocaust, and promised that if he survived, he would build a hospital to fulfil G-d's greatest commandment, the preservation of life. The realisation of this promise, Laniado Hospital, now treats 57,000 patients a year, from all communities across Israel.
